 Subject: NI Consultations - Week Commencing 20 May 2013

North-West Community Network is committed to facilitating and promoting engagement with the Community & Voluntary sector in the North-West on the policy issues that affect it.

If you feel the sector should respond collectively to any of these consultations, please communicate this to us - not all consultation/policy issues can be responded to, however, given the sheer volume of documents that are issued.

Departmental consultations should, under good practice guidelines, afford twelve weeks for response - if you have any concerns over deadlines please do not hesitate to raise these with the named contact.
